Dormant Accounts

Do you have a savings account or checking account with your credit union that has been dormant (no withdrawals or deposits) for a year or longer? If so, you should contact your credit union about reactivating the account or closing it. Accounts that sit dormant for too long cost you money. Take a few moments now to go through your paperwork and see if you have any accounts with the credit union that have become inactive. The credit union may charge your account a monthly inactivity fee of \$5.00.

North Franklin Federal Credit Union is looking for volunteers who are willing to serve on a committee or on the Board of Directors.

If you are interested in serving in one of these capacities, please submit a letter of intent to:

**Mr. Wendell Denny
North Franklin Federal Credit Union
494 East Main Street
Malone, New York 12953**

Please be sure to review North Franklin Federal Credit Union's "Letter to Prospective Volunteers".

Your letter must be received no later than July 30, 2010.

**Sincerely,
Wendell Denny
Nominating Committee Chairperson**

We have an excellent rate on our  credit cards. The rates start at 6.9% APR. Come in and see one of our loan officers to help you decide what's best for you. Maybe a loan is better for your financial needs, while a credit card may fit someone else's needs. Take a look at what your expenses are or what they may be in the coming months and rest assured we are here to help. Log onto our website (www.northfranklinfcu.org) and use the loan calculator to manage your finances.
